

Lincoln Heritage Funeral Advantage™

Don't let this chance pass you by! There are not many opportunities like this left!

Reasons why Top producers come to LHLIC:

- We are entering the golden era of the final expense business.
- Lincoln Heritage is far and away the leading company in the industry – over \$143 mil in production in 2015.
- Lincoln Heritage's prime market is the "Baby-Boomer" generation... • There are 75.4 million American Baby Boomers.
- The youngest of the Baby Boomers turned 50 years old in 2015, so the entire 75 millionaires now in our prime marketing age group.
- 98.8% of the market is still available to purchase our products.
- Unfortunately, 4 out of 10 Baby Boomers have saved nothing for retirement, so funding final expenses without life insurance would create a substantial hardship on those families.
- Fortunately, Lincoln Heritage and our outstanding field force market products that solve a tremendous need for this segment of the population We also pay our agents in 24hrs of an application being turned in and your vest from day one Watch our testimonials:
